I agree with the Secretary – the
Site was selected by myself a
few months back, and part of the advance
~~from the~~ sanctions
from Plague funds have been
substantial checks which have been
erected on it – The situation
is excellent – All the sheds
have accepted during the year

instructed them the other day
and now quite pleased
with their situation and
construction ~~of~~ Plague
funds cannot be utilized or in any manner

of these and other sheds

is too poor to bear the charge

Plague funds (as the State)
have therefore to bear it – I
